of Western Australia

# 2019 Events

## GIWA

The Grain Industry Association of Western Australia (GIWA) Inc is a not-for-profit, member based association, representing the interests of the entire Western Australian grain value chain.

GIWA holds public meetings each year to discuss market and seasonal developments, variety rationalisation and value chain issues for wheat, barley, oilseeds, oats and pulses, connecting the market with growers, and highlighting topical issues for discussion.
