Barley Australia Virtual Forum 2021

Friday, 6 August 2021 10.30am AEST
Invitation Only

(All Australian Barley Industry Stakeholders welcome)

Barley Australia is happy to confirm that we will be holding a 2.5 hour virtual workshop style forum.

Format: discussion based (not presentation) forum, utilising breakout rooms

Key Objective: to start the process of a strategic plan for the barley industry

Background: draft vision will be provided along with some high level background industry information for 'where we are at now'. With the intent to discuss key road blocks and opportunities.

Registration: please express intention to join the event by completing the poll included in the email, no later than **Friday 25th June**. A link will be provided, along with background information, prior to the event.

Contact Details: for further information please contact:
elysia.vassos@barleyaustralia.com.au
